ASSESSMENT CRITERIA

* indicates a required field

Please answer all the questions below, and if you need more room, or have additional documents or information, this can be attached as a document to any question (this can be in addition to writing the answer in the response field).

Describe your project (for a weighting of 45%)

In brief, describe your proposed project and what specific Greater Whitsunday Region (Mackay, Isaac, Whitsunday) regional challenge it will address.

*

Word count:
Must be no more than 250 words.

Attach a file:

Describe how your proposal would introduce a NEW circular process, technology or business model to the Greater Whitsunday Region economy. *

Word count:
Must be no more than 250 words.
Note: funding does not extend to projects that are continuations of existing circular activities without significant innovation
